

113" ATHENAEUM SETTEE

Built from Maple or Ash Hardwood, Available in any O&G stain.

Design: Andrew Mau for O&G.

Shown: 113" Athenaeum Settee - stain on maple

The Athenaeum Settee is an elegant statement piece often used at a dining table or as a focal point for the entryway. All angles reveal graphic detailing from the arched pattern of the comb to a beautiful moiré effect of the back when viewed obliquely. Available as a backless bench.
