

ATLANTIC BARSTOOL with BACK (29" Seat Height)

Built from Maple or Ash Hardwood. Available in any O&G stain. Solid Walnut Hardwood available in Limited Quantity. Available with or without Back.

Shown: 29" Atlantic Barstool with Back - Persimmon Stain on Maple

Named one of the top ten stools by Elle Décor, the Atlantic Stool is a riff on the classic Windsor silhouette. The back is made up of a flexible, yet strong, steel hairpin and a solid machined brass knob. A steam-bent articulating back allows for adjustability and maximum comfort.
