

WAYLAND HALF-BOW STOOL - 24"

Named for the distinct, short bow that outlines the backrest, the Wayland Half-Bow is a perfect 'elbows on the bar' seat. Beautifully sculpted and crisp, the Wayland Half-Bow provides back support with a distinctive low profile. The solid turned legs strike a solid stance and are braced with box stretcher construction.

Shown: Wayland Half-Bow Stool - 24" - Ebony Stain on Ash
