

UPHOLSTERED COLT ROUND STOOL - 29"

The Upholstered Colt Round Stool is the classic Windsor stool at its best. Our version elevates this familiar form with a beautifully upholstered seat atop well proportioned legs and stretchers. The Colt gains its strength and durability through the use of traditional windsor joinery of wedged through tenons connecting the seat to the legs, and robust stretchers carefully mortised and pinned into each leg. Available in counter and bar heights.
